

# Welcome to **Oriente Yacht Club**

Founded in 1907, the Orienta Yacht Club is one of the oldest and most distinctive Clubs on Long Island Sound. We are located in the scenic and well-protected East Basin of Mamaroneck Harbor, easily accessible through a well-marked, deep water channel. Mamaroneck is a gateway to great fishing, sailboat racing, cruising and just plain “messaging about in boats.”

Our members include both power-boaters and sailors who welcome the opportunity to work on their own boats, which is typically not allowed in commercial boatyards. Our members serve alongside skilled professionals in our yard when their yachts are hauled and launched. We can refer you to a roster of valued craftspeople who can handle all the work, too. Plus there are three full-service boatyards, fuel and pumpout facilities nearby.

Orienta Yacht Club is a friendly place distinguished by member participation in every aspect of Club life—from staffing work parties, planning social events and cruises, to taking on major upgrades to our facilities and equipment.

## Facilities

### Clubhouse

The center of OYC life is our lovely Clubhouse with its shaded porch overlooking the scenic east basin of Mamaroneck Harbor. The Clubhouse includes a newly renovated kitchen and men's and women's restrooms and showers. It is available for members to rent on a first come, first served basis.

### Dockage and Moorings

- Dockage with water and power for 24 boats (although there is a waiting list).
- Most of our fleet is moored in the harbor on fore and aft moorings. Permits must be obtained from the Village of Mamaroneck Harbor Master for a nominal annual fee.
- Guest moorings are offered at nominal prices for visiting Yachts.

### Other Facilities for Members

- Wet and dry winter storage
- Dinghy, kayak and sailboard storage racks
- Two work docks with water are available for use while making repairs
- Lockers for sails and other equipment
- Mast crane and storage shed
- Gated parking area
- Workboat for member projects
- Club dinghies

### Launch Services

- Orienta Yacht Club runs a convenient launch service for members and guests during the months when the club is in commission, roughly from April through mid-October. Launch hours vary slightly during the summer months to accommodate peak demand and the launch generally runs all day until 8:00 PM.
- Launch hours are posted in the dock house.

## Social Events

In addition to post race barbecues, the Orienta Yacht Club hosts a number of major social events each year with fine food, drink, music and dancing.

## Guest Services

We welcome visiting yachts at our guest moorings and our launch service offers registered guests easy access to great Village restaurants and a full range of stores for re-provisioning, all within walking distance to the club. Showers and restrooms are also available to guests. In recent years we have welcomed many travelers transiting the Sound from as far away as Europe and the Caribbean.

## Racing

OYC is a member of the Yacht Racing Association of Long Island Sound and has its own club racing series and participates in the Thursday night races offered through the Can One Evening Race Association.

## Membership

If you are interested in exploring membership, please be in touch with the membership committee by contacting the [secretary@orientayc.com](mailto:secretary@orientayc.com).

Membership applications are screened throughout the year. Email [Secretary@orientayc.com](mailto:Secretary@orientayc.com) to schedule a visit or to learn more about the Orienta Yacht Club.
